

CAVS – Automotive Electronics Lab Service Center

RATE:

Quarterly Rate Per Seat: \$5335

Monthly Rate Per Seat: \$1778.33

Daily Rate Per Seat: \$82.08

Hourly Rate Per Seat: \$10.25

- Prices for services conducted by CAVS - Automotive Electronics Lab Service Center personnel are all-inclusive (i.e., include personnel time/effort, specialized software, and service items such as printed circuit board fabrication, instrument calibration/costs, shipping & handling, etc.) unless otherwise noted.
- Prices were developed using a "cost recovery" formula. They contain no overhead charges and can be directly used in preparation of grant proposals (as contractual services) by Mississippi State University faculty. However, it is highly recommended that anyone writing a proposal obtain an official quote from CAVS – Automotive Electronics Lab Service Center.
- Services and prices are evaluated on an annual basis (or as needed). Rate changes must be approved by the MSU Controller's Office.
